Therefore, the Jefferson Parish Library Department reserves the right to reduce the monthly payment for these services by the percentage rating of the inspection report and level of performance. For example, if Jefferson Parish Library Department inspected the facilities, and it ranked 87%, Jefferson Parish Library Department will then remit to the contractor, 87% of their invoice for these services.

A rating and tasks performance inspection that indicates a need for improvement or a much needed improvement will be scored 4, 3, 2, or 1, and calculated accordingly.

If a category does not apply, place the "X" in the appropriate "N/A" box, and deduct five (5) points for each "X" from the total points possible.

If the deficiencies in services performed are deemed an emergency because of contractor's failure to perform contracted services, the Jefferson Parish Library Department reserves the right to hire its own staff to accomplish the work not being performed by the contractor and charge the contractor a rate of \$15.00 per hour to accomplish the deficiencies in their cleaning services. The Library Inspection Form attached in the bid specifications will be the standard for inspections and ratings.

The contract will become null and void thirty (30) days after written notice to discontinue.

To better insure fair competition, and to permit a determination of the lowest bidder, proposals may be rejected if they show any omission, irregularities, alteration of forms, additions not called for, conditions or unconditional unresponsive bids, or bids obviously unbalanced.
